

Lackawanna Heritage Valley Partnership Grants

Grant Management Guidelines

Grantee Responsibilities

Please carefully review the Grant Management Guidelines for Lackawanna Heritage Valley Partnership Grant Program. The grantee has full responsibility for project activities under a grant awarded by the Lackawanna Heritage Valley National and State Heritage Area (LHV) including:

- Administering the grant in accordance with the grant award requirements;
- Maintaining proper documentation of all actions and expenditures related to the funded project;
- Informing LHV of any significant programmatic, administrative, or financial problems that have arisen during the course of the grant award.

Award Information

- Applicants will be notified of the approval or denial of their funding request.
- If the grant application has been approved, the applicant will receive an award letter and two copies of a Cooperative Agreement (grant contract). These documents contain important information and grantees should carefully review them.
- Grantees should sign both copies of the Cooperative Agreement; retain one for their files, and return the other copy to LHV. Depending on the amount of funding awarded, the grantee may be asked to sign and return an Award Letter in lieu of a Cooperative Agreement.
- When LHV has received the fully executed, signed Cooperative Agreement or Award Letter, the grantee may proceed with the project. **Please note:** LHV cannot reimburse the grantee for any project expenses incurred **before** a fully executed Cooperative Agreement or Award Letter is signed by LHV and the grantee. Please plan the project's budget, matching funds, and scope of work accordingly.
- LHV grants are reimbursable grants. Grantees pay for eligible project costs up front. Grantees must submit a Payment Request Form with their Final Report, and include all supporting documentation, such as invoices, receipts, and matching fund information. (See *Reporting Requirements* section on page 3).
- All payments are sent after LHV receives and approves the Final Report and supporting documents.

Grant Award Period

The grant award period begins on the date LHV receives the fully executed Cooperative Agreement or Award Letter with both signatures. It ends on the expiration date listed in the agreement. Grantees should take careful note of this expiration date.

Matching Funds & In-Kind Donations

Matching Funds is the term used to describe a cash commitment to share the costs of a sponsored project. **Under LHV grant guidelines, all matching funds must be cash.** LHV requires a **dollar-for-dollar** cash match on all Partnership Grants. The following funding sources may qualify as matching funds:

- Individual and corporate donations/sponsorships.
- Foundation grants.
- Federal, state, or local government grants/funding.*
- Contributions from partner organizations.
- Specific project costs covered by the organization's financial resources.
- Income generated by the project (e.g. registration fees, concession or product sales, rental fees, etc.),

*Note: If the project will be supported by state or federal funds, please check with LHV as soon as possible to confirm the eligibility of these matching funds.

In-kind donations are goods and services donated to the project.

- The value of donated equipment, supplies, and rental space should be reasonable and should not exceed the fair market value of comparable items at the time of donation.
- In-kind services and non-cash donations **cannot** be used as part of the dollar-for-dollar total cash match. However, they do show community support and strengthen the overall grant request.
