

Lackawanna River Heritage Trail Event Registration

The Lackawanna Heritage Valley National and State Heritage Area (LHV) and its partners are developing the Lackawanna River Heritage Trail (LRHT) as a regional asset. Community groups are welcome to use the LRHT for public events such as races, walks, and marathons, trail clean-ups and river events, and educational programs. There is no charge to use the LRHT.

Organizations that plan to use the LRHT, adjacent parks and greenspace for a public event must notify LHV of their event six (6) months prior to the event, or as soon as possible in the event planning process. As the manager of the trail, LHV must coordinate events on the trail with routine maintenance, construction projects, and preparation for trail events. Event coordinators may be asked to meet on-site with LHV. Please note: It is required that event coordinators arrange for clean up after their event in order to maintain this community asset for all users.

Event Registration Guidelines

- Submit a completed Event Registration Form that identifies the host organization and details about the event. Identify the sections of trail that will be utilized and if any gates and/or bollards need to be opened.
- Attach a map outlining the boundary of the event, including the route and/or site of your event. For a marathons or race, identify the direction of the event with the starting and ending locations.
- Outline the plan for a post-event cleanup. The cleanup must occur within 48 hours of the event and must remove all event related material, such as tables, litter, garbage, markers, and signage. All trash receptacles along the trail and adjacent greenspace must be emptied within the event limits.
- Do not deface or damage the trail or its amenities. Temporary signage and markers may be affixed in a manner as not to damage the trail, grass, trees, fences, or other surfaces. A fine will be administered for the repair of any damages.
- Attach a copy of proof of insurance.
- All promotional material for the event must acknowledge LHV as a major sponsor of the event.

Upon receipt of the required information, LHV will email the event coordinator a confirmation of the event and a media kit. Send the complete form and materials to:

Stephanie Milewski, RLA, Trail Manager
Lackawanna Heritage Valley National and State Heritage Area
538 Spruce Street, Suite 516, Scranton, PA 18503
